3. It has been observed by me sometime past that the classification of charges under the major head 15 General Administration is not based on any definite system and therefore requires revision. While there are separate minor heads for the charge relating to the Dewan, the Councillors, the Secretariat and the reception and entertainment of guests, all the charges appertaining to each head are not shown under the respective heads: The following reclassification is therefore proposed for the formal acceptance of Govt with a view to their introduction in the next year's budget and their being brought to effect in the accounts of this office from the next financial year.

5 The reclassification of certain Inspl-heads, as proposed above, by the Comptroller, has been provisionally adopted in the Inspl estimates for Cy 14-15 already published.

6 Before the final Inspl for Cy 14-15 was passed, the General Secretary was consulted as to the ~~disadvantages~~ feasibility of the above reclassification and the office noted that the reclassification may be adopted, with advantage.

8. The proposed transfer of charges relating to Motor Cars from its present sub-head (10) Reception and Entertainment of Guests to the sub-head (3) Tour charges, Official residences and Conveyances, under the Major Head 15. General Adn., seems appropriate, as the Cars are primarily intended for the use of the Dewan and the members of Council, and not of Guests.

9. The classification of charges proposed under this item is more comprehensive as it admits of a provision being made for the purchase of Motor Cars. The other items under the present sub-head, viz 2. Travelling allee. and 5. Conveyance of Motor Cars by rail, will, it is believed, be all brought under 15 (3) III (4) charges relating to the carriages of Dewan and members.
